# ABOUT US

Vajramudra Conveyors Pvt. Ltd. is a leading provider of conveyor systems, material handling equipment, and packaging automation solutions based in Greater Noida, Uttar Pradesh. Built on the principles of innovation, reliability, and customer satisfaction, we help industries optimize their production processes through efficient, cost-effective, and durable automation solutions.

With extensive expertise in industrial packaging and material handling, we offer everything from customized conveyor systems and lifting solutions to advanced packaging machinery sourced from trusted global manufacturers. Our focus is to make automation accessible for MSMEs and growing businesses by delivering high-performance equipment backed by strong technical support, ready spare parts availability, and dependable after-sales service. We envision becoming India's most trusted automation partner, empowering industries to achieve higher productivity, improved efficiency, and sustainable growth.

Through continuous innovation, quality engineering, and customer-centric solutions, our mission is to simplify industrial operations and create long-term value for every business we serve.

At Vajramudra, we don't just supply machines—we deliver complete automation solutions that move businesses forward.

| Motor power       | 1/2 hp                             |

# **DIRECT IMPORTER ADVANTAGE**

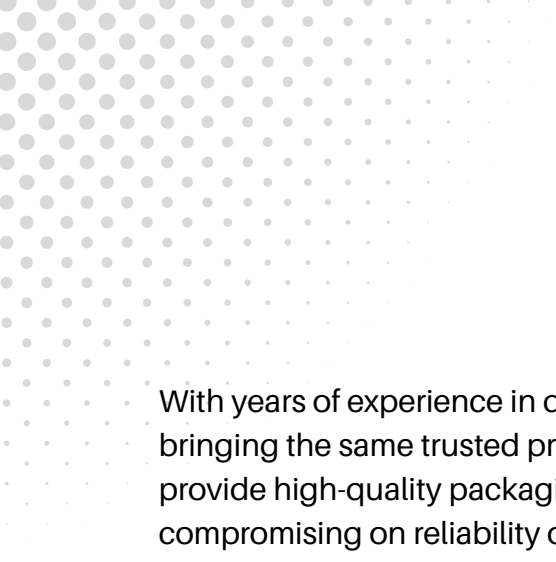

We are direct importers of entry-level packaging machinery and offer one of the most comprehensive ranges available in India.

- ✓ **Chinese Strapping Machines**
- ✓ **Taiwanese Strapping Machines**
- ✓ **Japanese Strapping Machines**
- ✓ **Tying Machines & Packaging Solutions**

Whether you need an economical entry-level machine or a premium packaging solution, we provide the right equipment at the right price.

## **WHY CHOOSE US?**

- ✓ **Competitive MSME-Friendly Pricing**
- ✓ **Customized Solutions for Every Industry**
- ✓ **Made-in-India Engineering Excellence**
- ✓ **Energy Efficient Equipment**
- ✓ **Quick Installation & Commissioning**
- ✓ **Strong After-Sales Support**
- ✓ **Ready Stock of Spare Parts**
- ✓ **Reliable Technical Assistance**
- ✓ **Pan-India Service Network**
- ✓ **Maximum Value at Minimum Cost**

With years of experience in dealer networks and bulk industrial supply, Vajra is now bringing the same trusted products directly to customers across India. Our goal is simple provide high-quality packaging machinery at highly competitive prices without compromising on reliability or service.

As direct importers of entry-level strapping and tying machines, we offer one of India's most comprehensive machine portfolios, including Chinese, Taiwanese, and Japanese models to suit every budget and application.

What truly sets us apart is our commitment beyond the sale. With ready availability of spare parts, strong technical support, quick service response, and nationwide assistance, we ensure complete peace of mind for our customers.

Whether you're a small manufacturer looking for an economical packaging solution or a growing enterprise seeking dependable automation equipment, Vajra delivers maximum value at minimum cost.

# GLOBAL BRANDS WE REPRESENT

- **Sunpack**
- **Strapack (Japan)**
- **Transpak (Taiwan)**

**Bringing globally trusted packaging technology to Indian industries with local support and service excellence.**
